

Call for Submission of Carrot Cultivars for the 34th International Carrot Conference

The purpose of this correspondence is to solicit entries of carrot cultivars for the Cultivar Demonstration Plots at the 34th International Carrot Conference. The conference will be held on **July 26-28, 2010 at the Red Lion Hotel in Kennewick, WA, USA**. The field tour associated with the conference will include a visit to the Cultivar Demonstration Plots that will be located on Klaustermeyer Farms north of Pasco, WA. The organizing committee is eager to have the plots represent various carrot types and varieties, and requests that you or your company submit entries for the demonstration plots.

Entries should be submitted into one of the following groups (we can only accept 4 cultivars in each group per company or individual):

- Imperator cellos
- Imperator cut 'n peel
- Colored carrots
- Processing types
- Nantes types

Those interested in participating should send **15 grams of seed for each entry** to:
